Disaster Risk Reduction Action Plan for Nablus City

**Dr. Amal Hudhud, head of strategic planning
department**

Nablus/ Nablus municipality

About Nablus

- **200,000** Population
- 4 refugees camps
- NM provide **services** to city (**water supply, wastewater collection system, waste water treatment and reuse, solid waste mangement, cultural centers, slaughterhouse, vegetable Market, building license,....etc**)

DRR Action Plan

- Support the city to improve its understanding of **disaster resilience** and develop a **multi stakeholders action plan**.
- **Stakeholders**: Ministries, civil defense, university, NGO, local media, private sector, civil society,...)
- **Local strategic development plan**
- Formation of **social accountability committee** in 2017,
22 institute:
 - Women
 - Youth
 - Associations
 - Education

Stakeholders

Social accountability committee

Priorities

- Law and regulations
- Disaster loss data base and HA2 and maps
- Financial resources
- Promotion of disaster resilience
- Upgrade infrastructure for disaster

Progress

What has been implemented?

- **Awareness**
- **Building capacity**
- **Building code**
- **Some equipment for fire fighting department**
- **Participating in preparing mid-term report**
- **Infrastructure** (climate change):
 - Upgrading of water system
 - Reuse of water in agriculture
 - Solar panel
 - Green area increase
 - Traffic plan and its solution

challenges

- **Lack** of the tools and techniques to be for **fundraising**
- **Not informative** about the **international donors** who can fund initiatives and projects
- **No finance action plan** to market
- No **integration between national and local plan** related to priorities

Overcome the Challenges

- **DRR action plan approved at national level**
 - Signing an agreement between The Palestinian Disaster Risk Management Center and The Urban Planning and Disaster Risk Reduction Center to prepare National DRR working plan.
- **Keep working with stakeholders integrated effort**
 - Keep strengthening the social accountability committee
 - Keep strengthening the youth council
 - Reactivate the neighborhood committees
- **FRU at municipality**
- **Involve insurance and private sectors**
 - **“From Risk to Investment”**, the experiences of others countries and cities in how to engage the private sector and what ideas can be followed to invest in this area

Thank you
