Session 5: Disaster Resilience in Action to
Manage Complex Risk

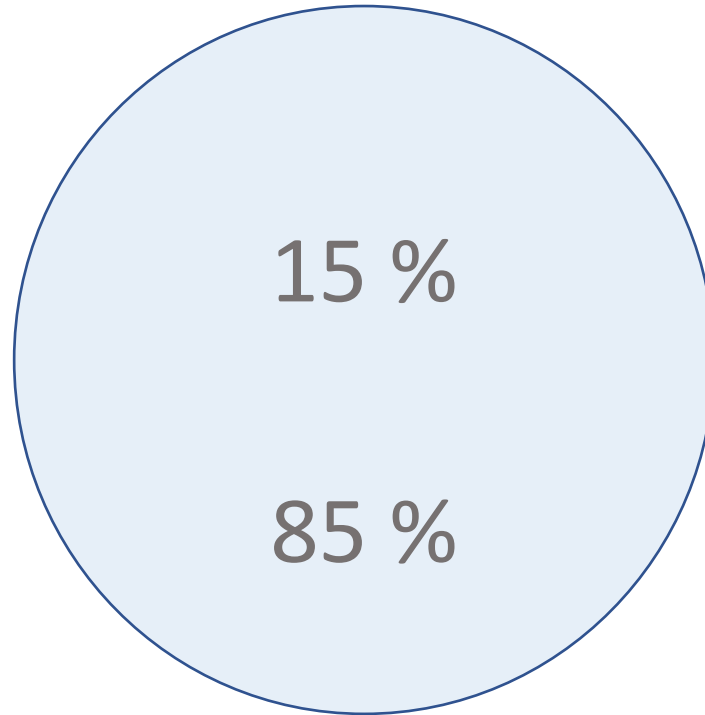

-it's a togetherness thing

Magnus Qvant, The City of Malmö, Sweden

What makes a city function?

City Operators

City tunnel – and the storm “Sven”

There is a solution –a crisis management solution!

Resilience by Design for City Services

Stop and find out:
What's the point of a bus stop
when the bus isn't there?

There are numerous bus stops taking significant space in our cities – imagine if they could offer more features than just a waiting space.

Thank you
